

Wamego Vision 2010

Wamego's historic downtown shopping district is the anchor that connects people to the community and each other. The period ambience, unique specialty shops and quality restaurants that line quaint Lincoln Avenue attract local and area residents, day-trippers and tourists.

Wamego claims a number of regional attractions that include the OZ Museum, Columbian Theatre, Schonhof Windmill, Historic Museum and Historic Wamego Village. The City Park, proclaimed the most beautiful city park in Kansas, attracts families to its green spaces, train rides, tennis courts and swimming pool. Access to the Kansas River via the newly developed River Park draws river enthusiasts, while the biking and hiking trails welcome families, recreational tourists and nature lovers.

Wamego's location, convenient to Interstate 70, Topeka and Manhattan, makes the town a desirable place to live. The Wamego Business Park thrives as existing businesses expand and new businesses locate here. City government and community leader's work together to provide user-friendly codes, zoning and land use options. The focused utilization of local strengths and resources encourages homespun businesses to grow and develop. These entrepreneurs provide quality goods and customer service beyond compare, which inspires a loyal customer base and delights visitors.

The people of Wamego are industrious, enthusiastic and committed to the process of adapting to ever changing conditions, while remaining firmly devoted to small town quality of life, excellent schools, affordable housing and family-friendly living.

Wamego. WOW.

Membership Investment 2010

Vision 2010 Goals

Ensure that a supply of affordable, sound housing is available to meet the needs of current residents and those moving to the community.

Foster and drive the development of new attractions, and the continued evolution of existing attractions, making Wamego an appealing place to visit and live.

Optimize industrial park utilization.

Achieve development and growth of business districts and recreational parks that meet the needs of residents and appeal to visitors.

Develop and supports entrepreneurial opportunities.

Strengthen the Wamego Chamber of Commerce to achieve Vision 2010.

Small Town. **BIG** Experience.
