

The John Deere Gator that fed a lot of people during the Christmas season last year is returning to Dyers, **Monday December 7th**. Concordia Tractor, Inc. (John Deere dealership on east side of Wamego) is placing a Gator in Dyer's IGA. Items purchased at Dyer's and placed in the Gator will be generously matched by CTI AND by Dyer's (up to \$500 each). The items are all for our local **Christmas Bureau** distribution.

Buy one box of mac & cheese and it turns into 3. Buy one can of spaghetti and it becomes three. Buy a pack of toilet paper and it becomes three – just think of the possibilities.

The food drives for the Christmas Bureau also benefit the food pantry, so this is a **WONDERFUL** opportunity to triple your donation.

The Gator will be inside of Dyer's until Christmas Eve.
Please again consider giving, even one item helps this fantastic effort.
